OFFICE OF SKILLS DEVELOPMENT

## Arkansas Vendor Set-Up

To receive payments, you must be set up as an approved vendor with the state of Arkansas. Please follow this Link <https://www.ark.org/vendor/index.html> to get started with this process.

When setting up your vendor account, use your business name and federal tax ID. OSD does not provide funding to individuals, and we will not be able to pay out any funds if your account is set up that way.

The process from starting to receiving the vendor # could take 4 to 6 weeks.

To update or change a registration, please do not register again. Please log in, and you will be given the option to update your registration.
