Traditional Apprenticeship Grants (organization/employer)

If you are an organization or employer offering Registered Apprenticeship Programs (RAP) for the construction trades in Arkansas, you may be eligible to receive a Traditional Apprenticeship Grant from the Office of Skills Development (OSD), a division of the Arkansas Department of Commerce.

Traditional Apprenticeship Grants are designed to reimburse you for the cost of the classroom training (Related Technical Instruction (RTI)) for your apprentice(s) enrolled in occupations of the building and construction industry. Examples are plumbers, electricians, pipefitters, millwrights, HVAC technicians, etc., (subject to approval).

Funding is available to **reimburse** you for the instructor's hourly rate (up to a fixed amount, subject to approval).
